

## Year 1 Summer Term

### DT

As designers we will develop our knowledge of textiles where we will design and create puppets. We will be designing and creating smoothies.

### Music

As musicians we will have fun with improvisation, What songs can we sing to help us through the day? Let's perform together. How does music teach us about looking after our planet?

### Art

As artists we will explore the way we can make art inspired by the sounds we hear. Artists: Kandinsky and Tomoko Kawao.

### Geography

As geographers we will explore the seas and oceans of the world and how we can protect them

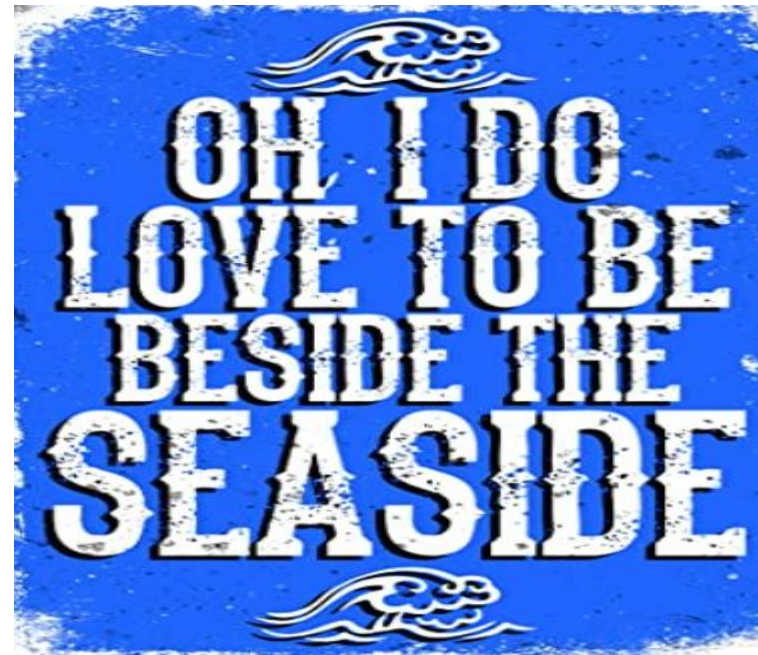

Watch out for more information regarding trips and enrichment activities in our newsletter.

### Literacy

We are... speakers, listeners, readers, writers and performers  
We will explore the story 'The Secret of Black Rock' and this will also inspire our postcard writing. After half term we will use 'The Last Wolf' to continue our understanding of a range of punctuation including question and exclamation marks as well as developing our vocabulary while we write a story and recipes.

### Phonics

We will further our grapheme and phoneme knowledge through phase 5.

### Physical Education

Real PE: *Physical Focus*: developing our coordination when sending and receiving and then our agility when reacting.  
*Health and Fitness Focus*: developing our agility to chase balls and our static balances.  
Tennis – develop our understanding of basic tennis skills including building on our coordination when sending and receiving

### Computing

As coders we will compare the differences between using a computer and writing on paper to create text. Then we will use Scratch jr to build algorithms to create simple programs.

### PSHE

Using the Jigsaw resource; the children will discuss 'Relationships' and 'Changing Me'.

### Science

As scientists we will be learning about the materials things are made of and the properties of everyday materials.

### Guided Reading

As readers we will enjoy reading a variety of texts in order to extend our vocabulary and improve our understanding.

### RE

What do Jewish people believe about God and the Covenant? I know about the Muslim festival Eid al-Fitr.

### Mathematics

As mathematicians we will investigate numbers to 20, count in groups of 2, 5 and 10's and recognise the value of different coins. We'll explore position, direction and movement involving turns as well as learning to tell the time to the hour and half past the hour.

### History

As historians we will investigate why seaside resorts are visited and how they have changes overtime.

### My Happy Minds

Engage: Teaching perseverance and resilience to help us to effectively set goals.
