

## Welcome to Octopus Children's Daycare!

Octopus offers daycare to children aged 2 years -school age and provides a wraparound care service for children of Primary school age.

We accept children who are in receipt of Early Years Entitlement, 2 year old funding and additional hours over and above this. Please enquire for our current charges.

Overleaf are our opening hours. Should you wish to look around the Daycare, please do not hesitate to contact us and we will be happy to meet and welcome you and your child.

## Pebbles Room

*A room specifically designed for our younger children*

Our Pebbles Room is equipped with resources for our younger children.

This is where your child will learn to develop their finer skills and start a social and stimulating education with a smaller number of friends and always with an appropriate ratio of adult to children.

Children in this room are aged two upwards and move to the Seashells room in the September prior to them starting school.

## Seashells Room

*A room specifically designed for our children and their school readiness*

Our Seashells Room is equipped with resources for our children going to school the following September.

This is where your child will improve on their learning skills in a fun and inviting environment. All children are monitored with their progression towards school readiness and we regularly update this on Tapestry - an online learning platform which parents are able to interact with.

We have our own Early Years Professional on site and provide a wide range of daily activities to make the most of the Daycare experience whilst your children are with us.

## Wraparound Care

*A service for our children aged 2 years to Primary school age*

Do you need additional care either before or after school? We provide a delivery and collect service from Burnham Infants (even if they attend after school clubs but need that additional time afterwards)

We have age appropriate activities for the older children as well as catering for the younger children, currently in our care, who are partaking in additional hours.

Please enquire regarding prices

## And don't forget...

We have on site hot lunches delivered from a local school kitchen who provide varied delicious daily hot meals for a small cost for all children. However you are welcome to provide your child with a lunch box too if they are with us over the lunch time period.
